**ARA.GEN.330 Changes – organisations**

(a) Upon receiving an application for a change that requires prior approval, the Kuwait DGCA shall verify the organisation’s compliance with the applicable requirements before issuing the approval.

   The Kuwait DGCA shall prescribe the conditions under which the organisation may operate during the change, unless the Kuwait DGCA determines that the organisation’s certificate needs to be suspended.

   When satisfied that the organisation is in compliance with the applicable requirements, the Kuwait DGCA shall approve the change.

(b) Without prejudice to any additional enforcement measures, when the organisation implements changes requiring prior approval without having received Kuwait DGCA approval as defined in (a), the Kuwait DGCA shall suspend, limit or revoke the organisation’s certificate.

(c) For changes not requiring prior approval, the Kuwait DGCA shall assess the information provided in the notification sent by the organisation in accordance with ORA.GEN.130 to verify compliance with the applicable requirements. In case of any non-compliance, the Kuwait DGCA shall:

   (1) notify the organisation about the non-compliance and request further changes; and
(2) in case of level 1 or level 2 findings, act in accordance with ARA.GEN.350.

ARA.GEN.350 Findings and corrective actions – organisations

(a) The Kuwait DGCA shall have a system to analyse findings for their safety significance.

(b) A level 1 finding shall be issued by the Kuwait DGCA when any significant non-compliance is detected with the applicable requirements of the Regulations, with the organisation's procedures and manuals or with the terms of an approval or certificate which lowers safety or seriously hazards flight safety. The level 1 findings shall include:

(1) failure to give the Kuwait DGCA access to the organisation’s facilities as defined in ORA.GEN.140 during normal operating hours and after two written requests;

(2) obtaining or maintaining the validity of the organisation certificate by falsification of submitted documentary evidence;

(3) evidence of malpractice or fraudulent use of the organisation certificate; and

(4) the lack of an accountable manager.

(c) A level 2 finding shall be issued by the Kuwait DGCA when any non-compliance is detected with the applicable requirements of the Regulations, with the organisation's procedures and manuals or with the terms of an approval or certificate which could lower safety or hazard flight safety.

(d) When a finding is detected during oversight or by any other means, the Kuwait DGCA shall, without prejudice to any additional action required by the Regulations, communicate the finding to the organisation in writing and request corrective action to address the non-compliance(s) identified. Where relevant, the Kuwait DGCA shall inform the State in which the aircraft is registered.

(1) In the case of level 1 findings the Kuwait DGCA shall take immediate and appropriate action to prohibit or limit activities and, if appropriate, it shall take action to revoke the certificate or specific approval or to limit or suspend it in whole or in part, depending upon the extent of the level 1 finding, until successful corrective action has been taken by the organisation.

(2) In the case of level 2 findings, the Kuwait DGCA shall:

(i) grant the organisation a corrective action implementation period appropriate to the nature of the finding that in any case initially shall not be more than 3 months. At the end of this period, and subject to the nature of the finding, the Kuwait DGCA may extend the 3-month period subject to a satisfactory corrective action plan agreed by the Kuwait DGCA; and

(ii) assess the corrective action and implementation plan proposed by the organisation and, if the assessment concludes that they are sufficient to address the non-compliance(s), accept these.

(3) Where an organisation fails to submit an acceptable corrective action plan, or to perform the corrective action within the time period accepted or extended by the Kuwait DGCA, the finding shall be raised to a level 1 finding and action taken as laid down in (d)(1).
(4) The Kuwait DGCA shall record all findings it has raised or that have been communicated to it and, where applicable, the enforcement measures it has applied, as well as all corrective actions and date of action closure for findings.

(e) Without prejudice to any additional enforcement measures, when the Kuwait DGCA identifies any non-compliance with the applicable requirements of the Regulations by an organisation certified by the competent authority of another State, it shall inform that competent authority and provide an indication of the level of finding.

**ARA.GEN.355 Findings and enforcement measures – persons**

(a) If, during oversight or by any other means, evidence is found by the Kuwait DGCA responsible for oversight in accordance with ARA.GEN.300(a) that shows a non-compliance with the applicable requirements by a person holding a licence, certificate, rating or attestation issued in accordance with the Regulations, the Kuwait DGCA shall raise a finding, record it and communicate it in writing to the licence, certificate, rating or attestation holder.

(b) When such finding is raised, the Kuwait DGCA shall carry out an investigation. If the finding is confirmed, it shall:

1. limit, suspend or revoke the licence, certificate, rating or attestation as applicable, when a safety issue has been identified; and

2. take any further enforcement measures necessary to prevent the continuation of the non-compliance.

(c) Without prejudice to any additional enforcement measures, when the Kuwait DGCA finds evidence showing a non-compliance with the applicable requirements by a person holding a licence, certificate, rating or attestation issued by the competent authority of any other State, it shall inform that competent authority.

(d) If, during oversight or by any other means, evidence is found showing a non-compliance with the applicable requirements by a person subject to the requirements laid down in the Regulations and not holding a licence, certificate, rating or attestation issued in accordance with that Regulation, the Kuwait DGCA shall take any enforcement measures necessary to prevent the continuation of that non-compliance.
